Dear Carol,

Words are really not enough to thank you for all you did for me and my family during the birth of Luke.

You were by my side whenever I needed you. You helped

us in so many ways I can't name them all. The

most important for me

was giving me emotional

support and courage

during the most difficult

parts of labor. I am

also so grateful for all

the pictures you took.

Jon was just amazed
at how you filled the
roles of six different
people!

God bless you and
your family. I hope
many other mothers
get to know you
and have you as
their "mother" during
their childbirth
experiences.

Much
love,
Jenny + Jon Walters
